**Re: Marcus N. Brittle & Shante G. Rose
Case No. 19-29288-SLM
Reply to Trustee's Objection to the Application to Retain Realtor**

Your Honor:

Please accept this letter as a response to the trustee's objection to the retention of professional presently pending before the court. The trustee objects that the proposed retention agreement for a realtor is an "exclusive" listing agreement. Further reading of the agreement the agreement indicates that while the listing as described as exclusive, in fact, it provides for compensation consistent with industry standards, should any realtor or agent procure a buyer for the listed property, and that industry standard compensation will be provided to that realtor or agent.

This seems to address the trustee's objection to the application, and debtor asks that the application be granted.

Very yours truly,

/s/ Edward Hanratty
